	<p>members will need to be in attendance. Mr. Foehr stated that the likely timeline is late 2nd week and 3rd week in January (part of the day for GB members).</p> <p>Elementary event with science focus happened earlier this week – every teacher had a science experiment for students. Students rotated through experiments during the event.</p> <p>Secondary institutes moving ahead. Students are working on projects that they feel passionately about. Noted that students take computer programming courses as part of the school’s added value part of the contract. Mr. Foehr mentioned that the Commissioners would like schools to share Charter School “Bright Spots” at a February meeting. Looking for overview – planning, process thus far.</p> <p>Mr. Deutscher has sent the school's five-year financial projection that was submitted to the Commissioners as part of the process to renew the school's contract. Bottom line numbers provide a good goal for the school.</p> <p>Mr. Thompson thanked the board, Diana, and the staff for all that they do for the school.</p>
