### SUPPORTING HOMELESS KEIKI AND FAMILIES ACROSS HAWAI'I

Our NJHS chapter is currently raising funds to support PROJECT HAWAI'I INC, a local nonprofit organization that provides food, education, and support services to homeless children and families across Hawai'i. Every dollar we raise goes directly to PROJECT HAWAI'I INC to purchase essential dormitory supplies for keiki and families in need, including cleaning supplies, linens, and basic appliances.

100% of proceeds go to Project Hawai'i Inc.
