Covid-19 Protocols

All students must have a face covering (mask) on unless they are actively being photographed. School protocols will take precedence.

We recommend ear loop type masks for picture day, so your hair doesn't get messed up when removing. Our photographers will only be able to minimally fix your hair and clothes, so please make use of the mirrors we provide.

If you are feeling ill, have shortness of breath, coughing, running a fever or are in a quarantined situation, please do everyone a favor and stay home and get better. Practice physical distancing when waiting in lines, and be patient with your fellow classmates, school staff and our photography staff.
